REST IN GOD

Requiescant in Pace

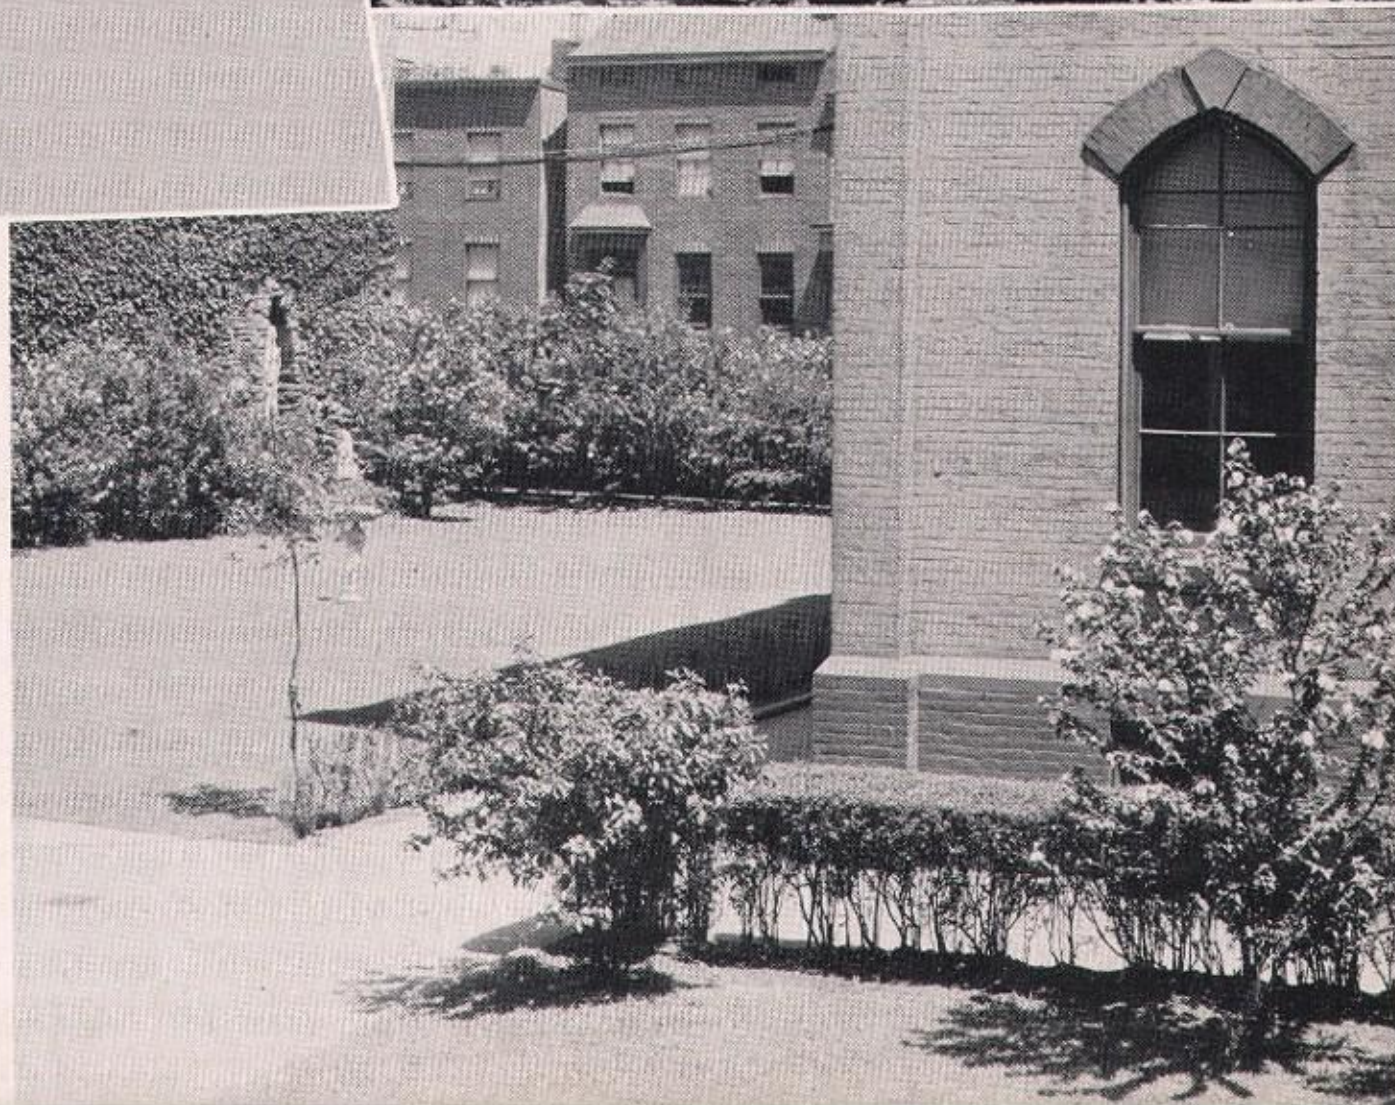

action

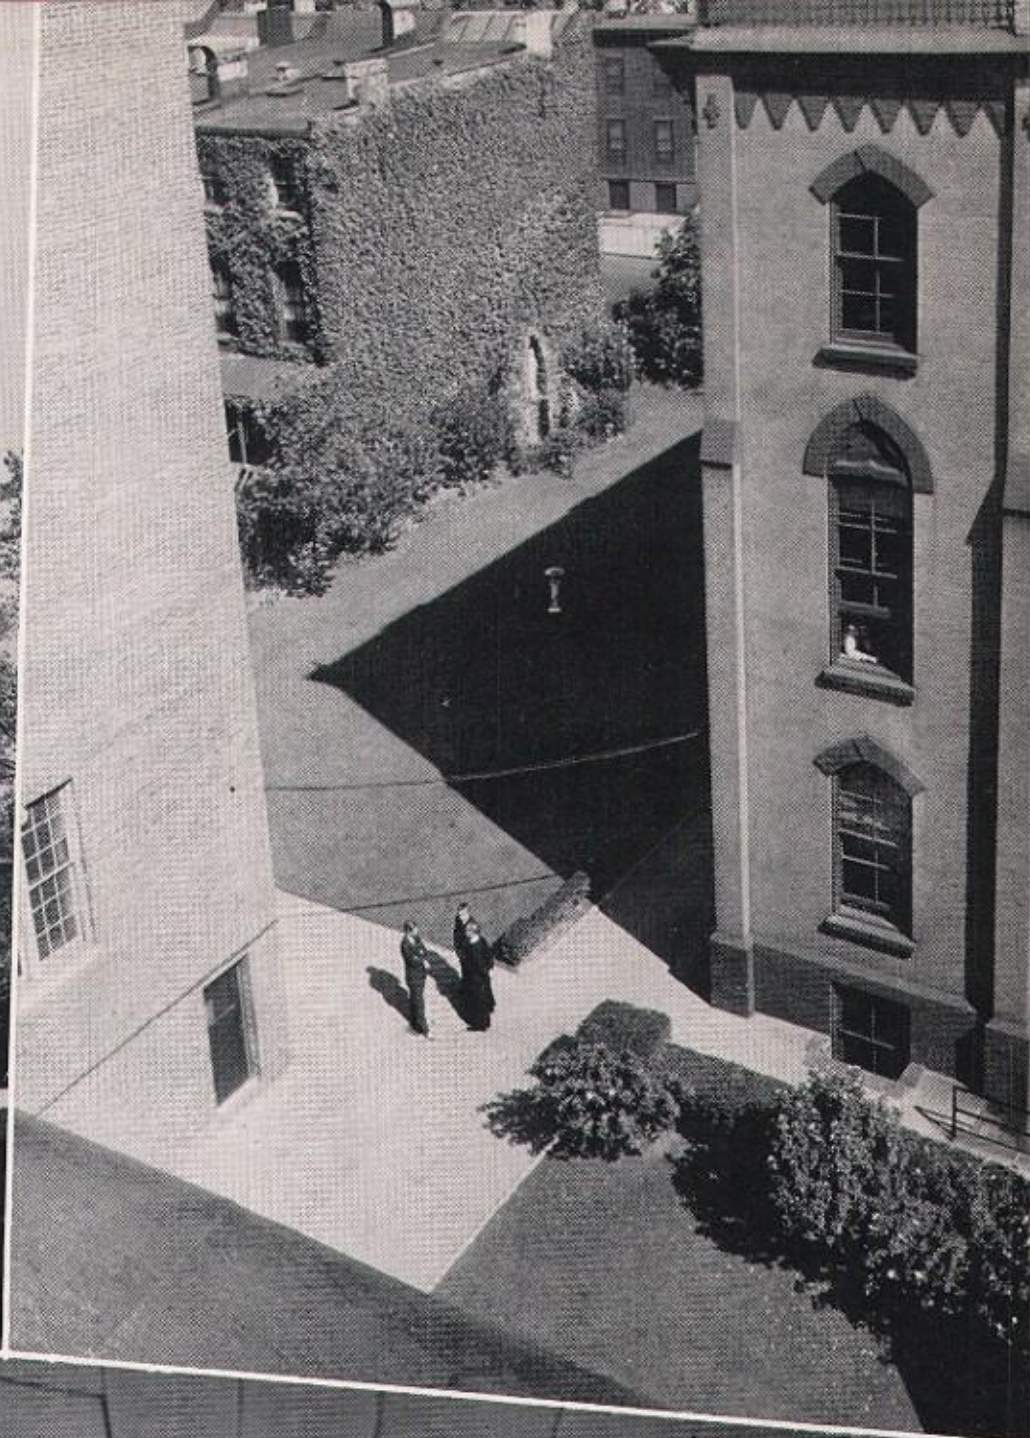

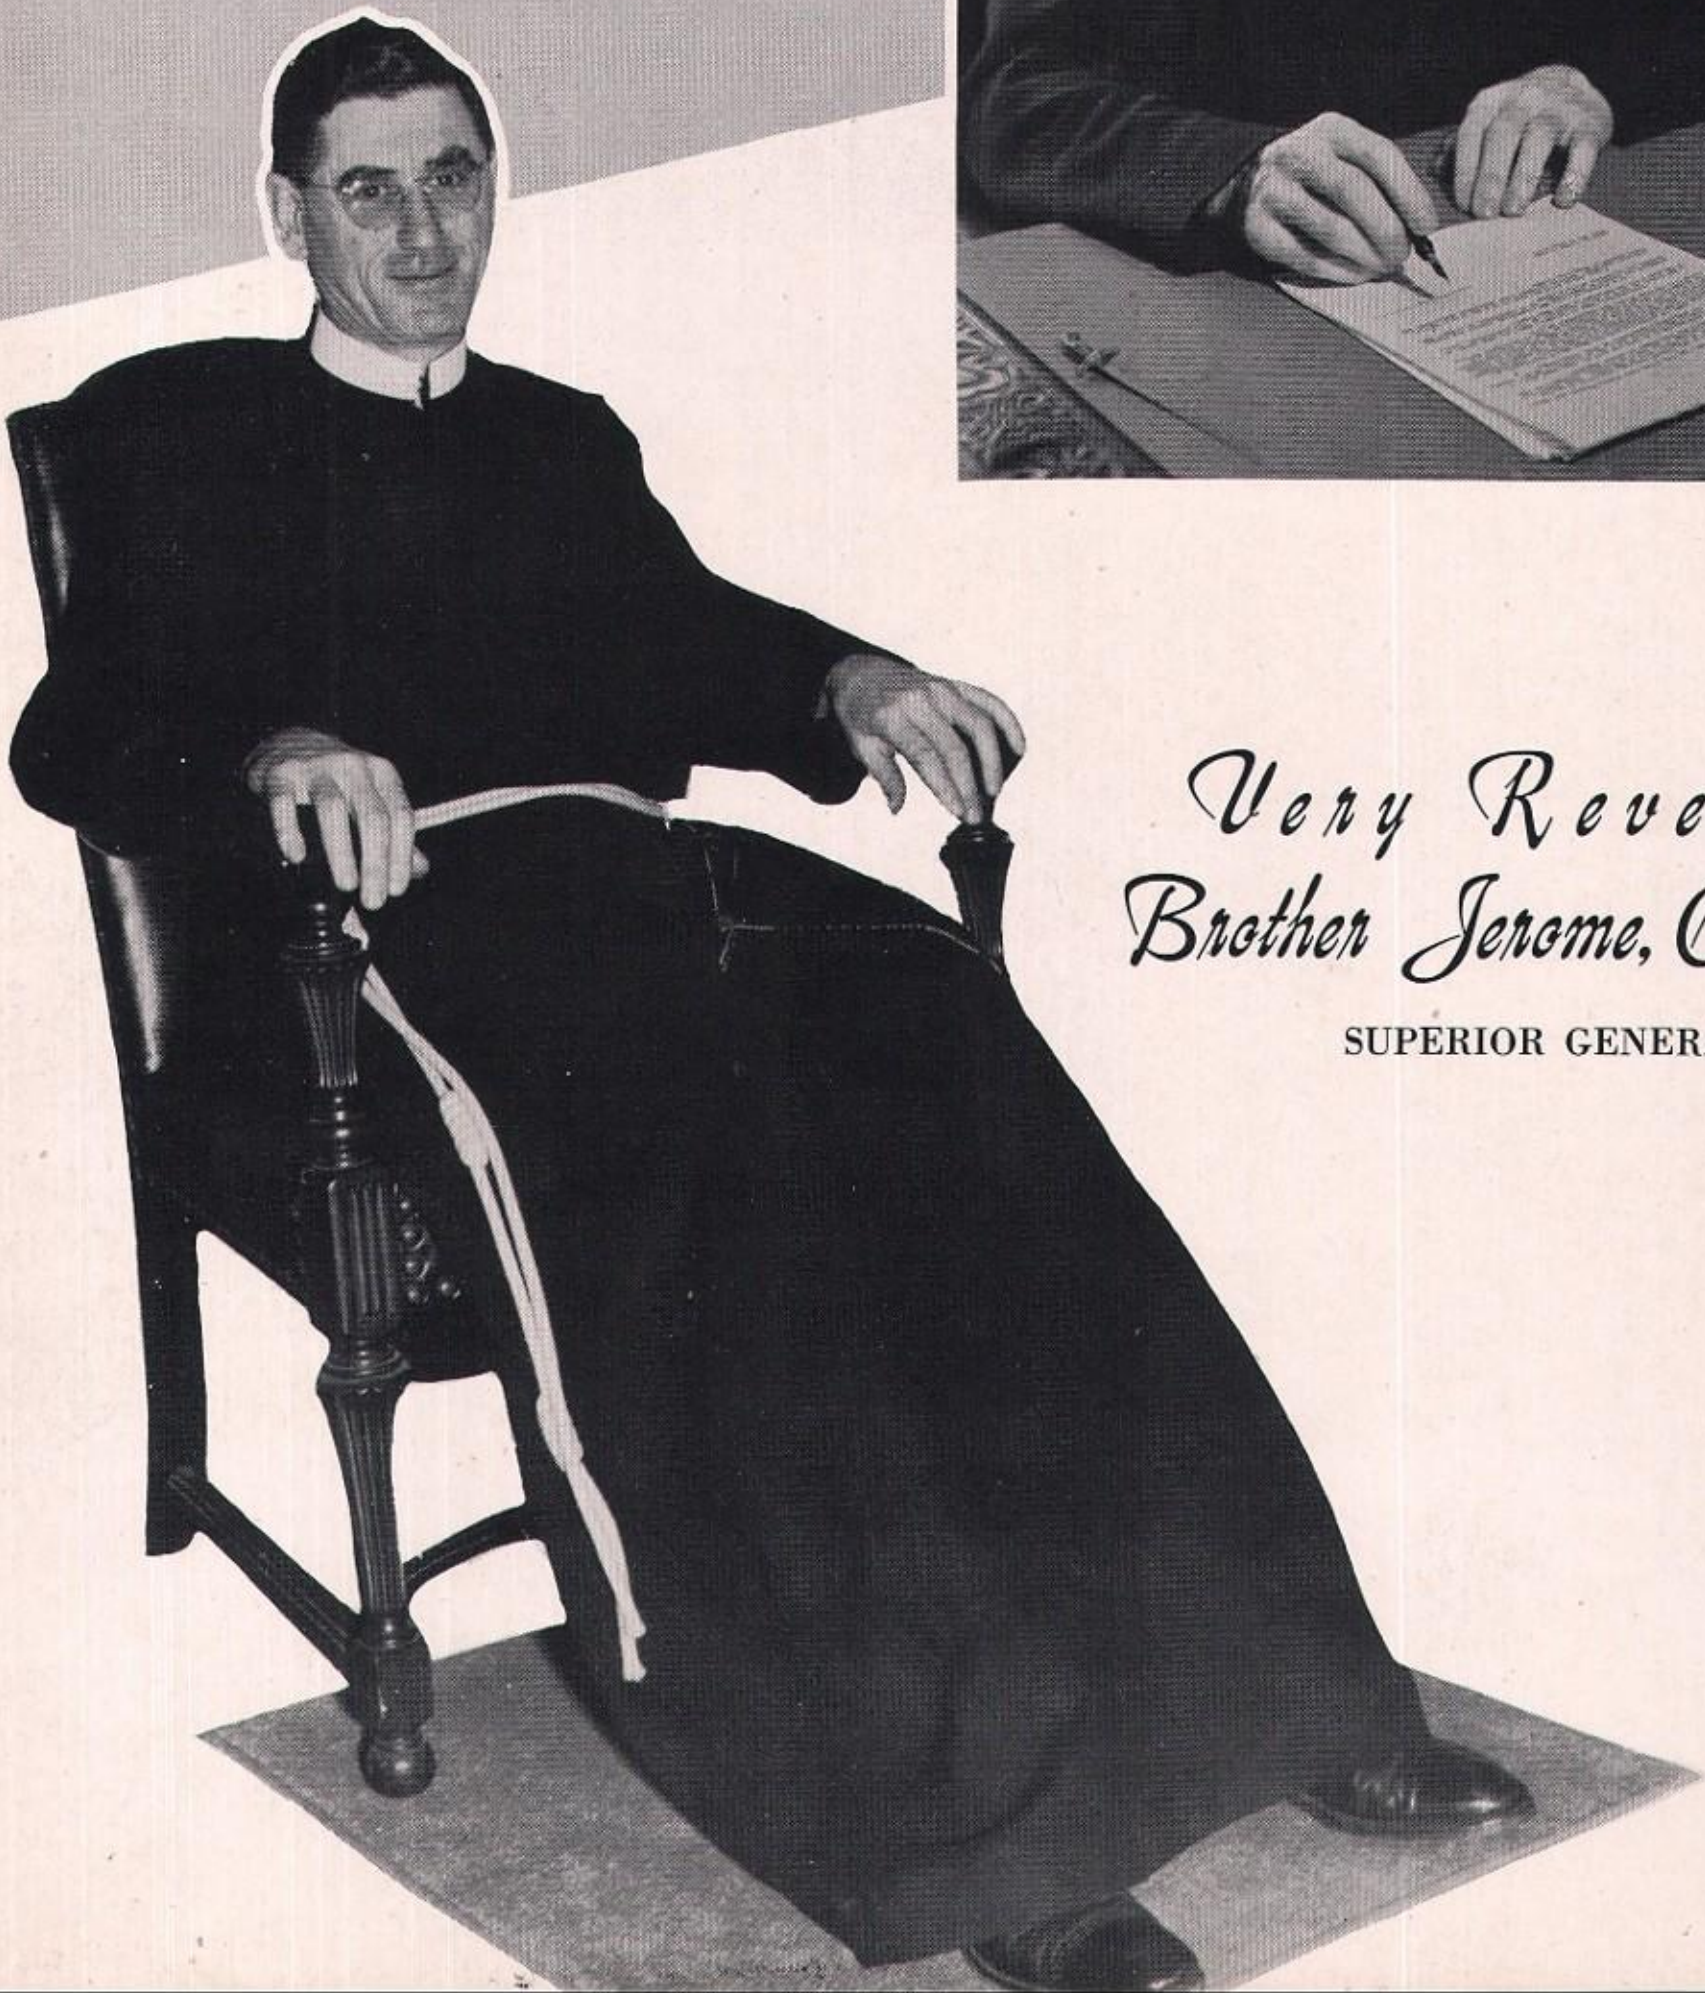

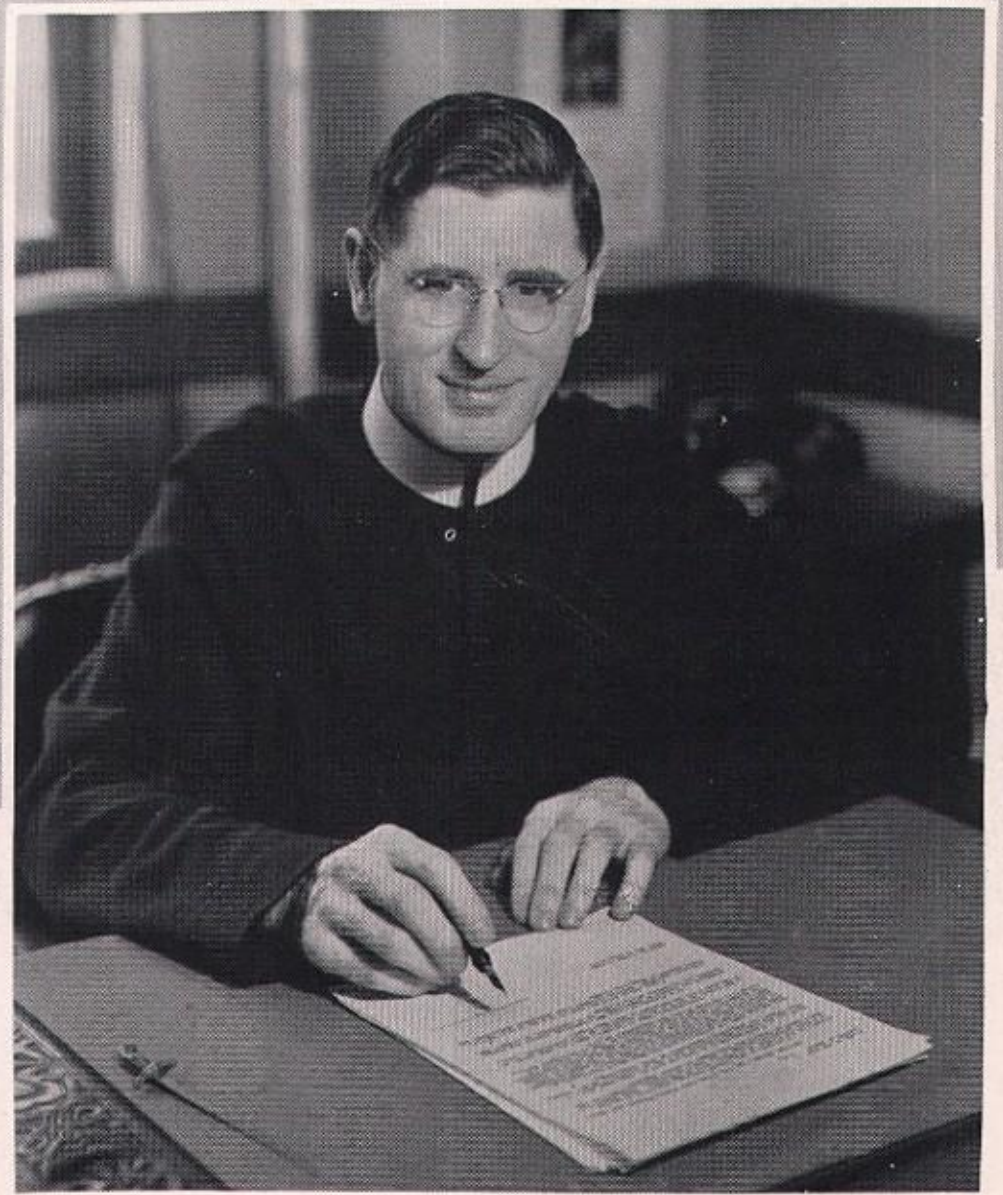

IN the pages of past editions of the San Fran appeared the faces of Prepsters with the records of their activities. These fellows matured rapidly . . . they marched . . . and died in battle garb. As a remembrance of their Last Action—may they rest in God—we dedicate this edition of the San Fran.

THE Third Order Secular is one of the largest High School Third Order groups in the country. The primary purpose of the order is to enable its members to follow more closely in the footsteps of Christ, and become true heirs of heaven. This is accomplished through obedience to the simple rules of the Order.

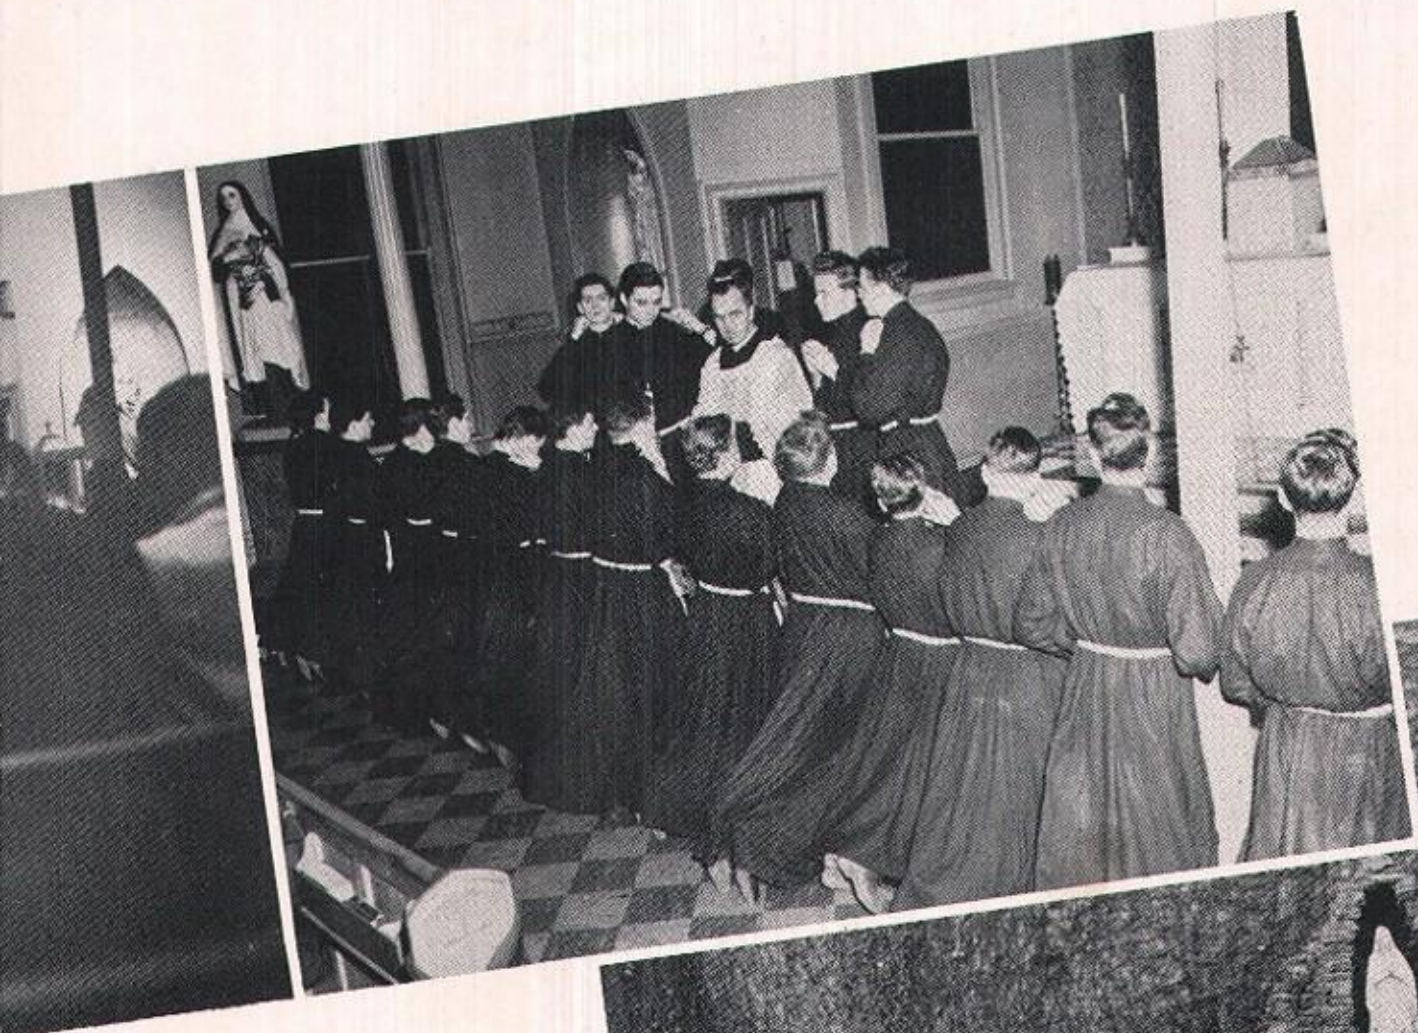

The Third Order, as founded by Saint Francis, was the direct result of appeals from the laity for a rule of life similar to the Religious life, but one that would not interfere with family life, or associations with the world. It has been richly indulged by the Popes, many of whom were members. Our present Pontiff, Pius XII, is a member.

Once each month, on the second Friday, the members assemble in the Chapel of Our Lady of the Angels to receive informative instruction from the Reverend Director, Father Clarence, O.F.M.Cap.

Each year more students prepare to enter the Third Order. Their preparation is under the direction of the Reverend Moderator, Brother Bernard, O.S.F. and Reverend Brother Benignus, O.S.F. Associate Moderator.

Principal's Christmas Message

Christmas! What joy this word stirs in the hearts of all of us? There is a charm about Christmas which no other season shares and which gladdens the hearts of all—young and old, rich and poor alike. Nothing can dim our love for Christmas and the happiness it radiates in our lives because it commemorates God's greatest Gift to mankind—His Own Divine Son.

Bethlehem will always be a place of pilgrimage where we can go and kneel reverently at the feet of the Infant Christ lying on His throne of straw and offer Him homage and love. We can also tell Him without fear how far we have wandered from His protecting care and ask Him to receive us again among His friends and lovers.

The Divine Child is ever waiting to receive us and to accept our meager syllables of praise the same as if we could express them like Saint Francis of Assisi in words of mystical beauty. He is anxious to tell us how happy He is to welcome us so that He may shower us with every manifestation of His love. We can talk to our Infant God in our own simple way without groping for any formalized words. This is prayer in its highest form. It is the best kind of prayer for it comes from a sincere heart.

But Christmas should not end with December 25th. Its spirit should be with us every day of our lives for we can always talk with our God in the street or in the subway, at work or at play, just as we do in the chapel before His Adorable Presence.

Brother Bernard

Sport Dance Will Be on Dec. 22, Will Feature Contest

The Christmas Sports Dance at St. Francis Prep will be held at 8 o'clock on December 22nd.

The dance will be a social affair with a contest feature. Funds raised from this affair will go in with the General Organization fund. This money will be used to purchase equipment for the sport teams throughout the Prep.

Brother Jerome To Speak At Christmas Assembly

THE school newspaper keeps the students and alumni aware of the happenings at St. Francis Prep, as well as promoting interest in journalism among its staff. Entered in the Columbia Press Association this year, the paper enjoyed all the benefits of membership, and a place in the association's annual contest.

Prep will be represented by Eugene Foge as editor. Brother Henry succeeds Brother Giles as moderator of the San Fran Annual. Foge will be aided by John Simpson, assistant editor.

Members of other athletic clubs, who are graduating, will also receive awards. Graduating members of the "San Fran Year Book" staff and "San Fran Newspaper" staff will also be presented with awards for their extra-curricular activities.

Senior Prom

St. Francis Prep annual Prom will be held in Brooklyn. It will be a traditional event and Mr. Thompson is in charge of the annual event. The committee is composed of Mr. Thompson, Mr. McMahon, Mr. Allegretti, and Mr. Foge.

Much of the event has been obtained yet. Only five per cent have responded.

Boosters will be required to help finance this traditional event. The quota has been set at 500 tickets each costing 25 cents. The seniors hope to obtain sufficient help from the

beliefs, and they could not be changed by any amount of good things to come from each party.

After the office had checked the candidates, the following were put up for election. The San Fran—James McMahon, 801; Joseph Allegretti,

sity baseball team.

Joe Allegretti, vice-president, is also an outstanding athlete at the Prep. He is on the football team and captained it at the St. Joseph's game. Joe has caught five touchdown passes this year. He is also the catcher on

The Christmas exhibit will be the fifth display so far in this semester. The exhibits are outlined and supervised by Mrs. Berry. The exhibit

WILLIAM BURKE
Editor

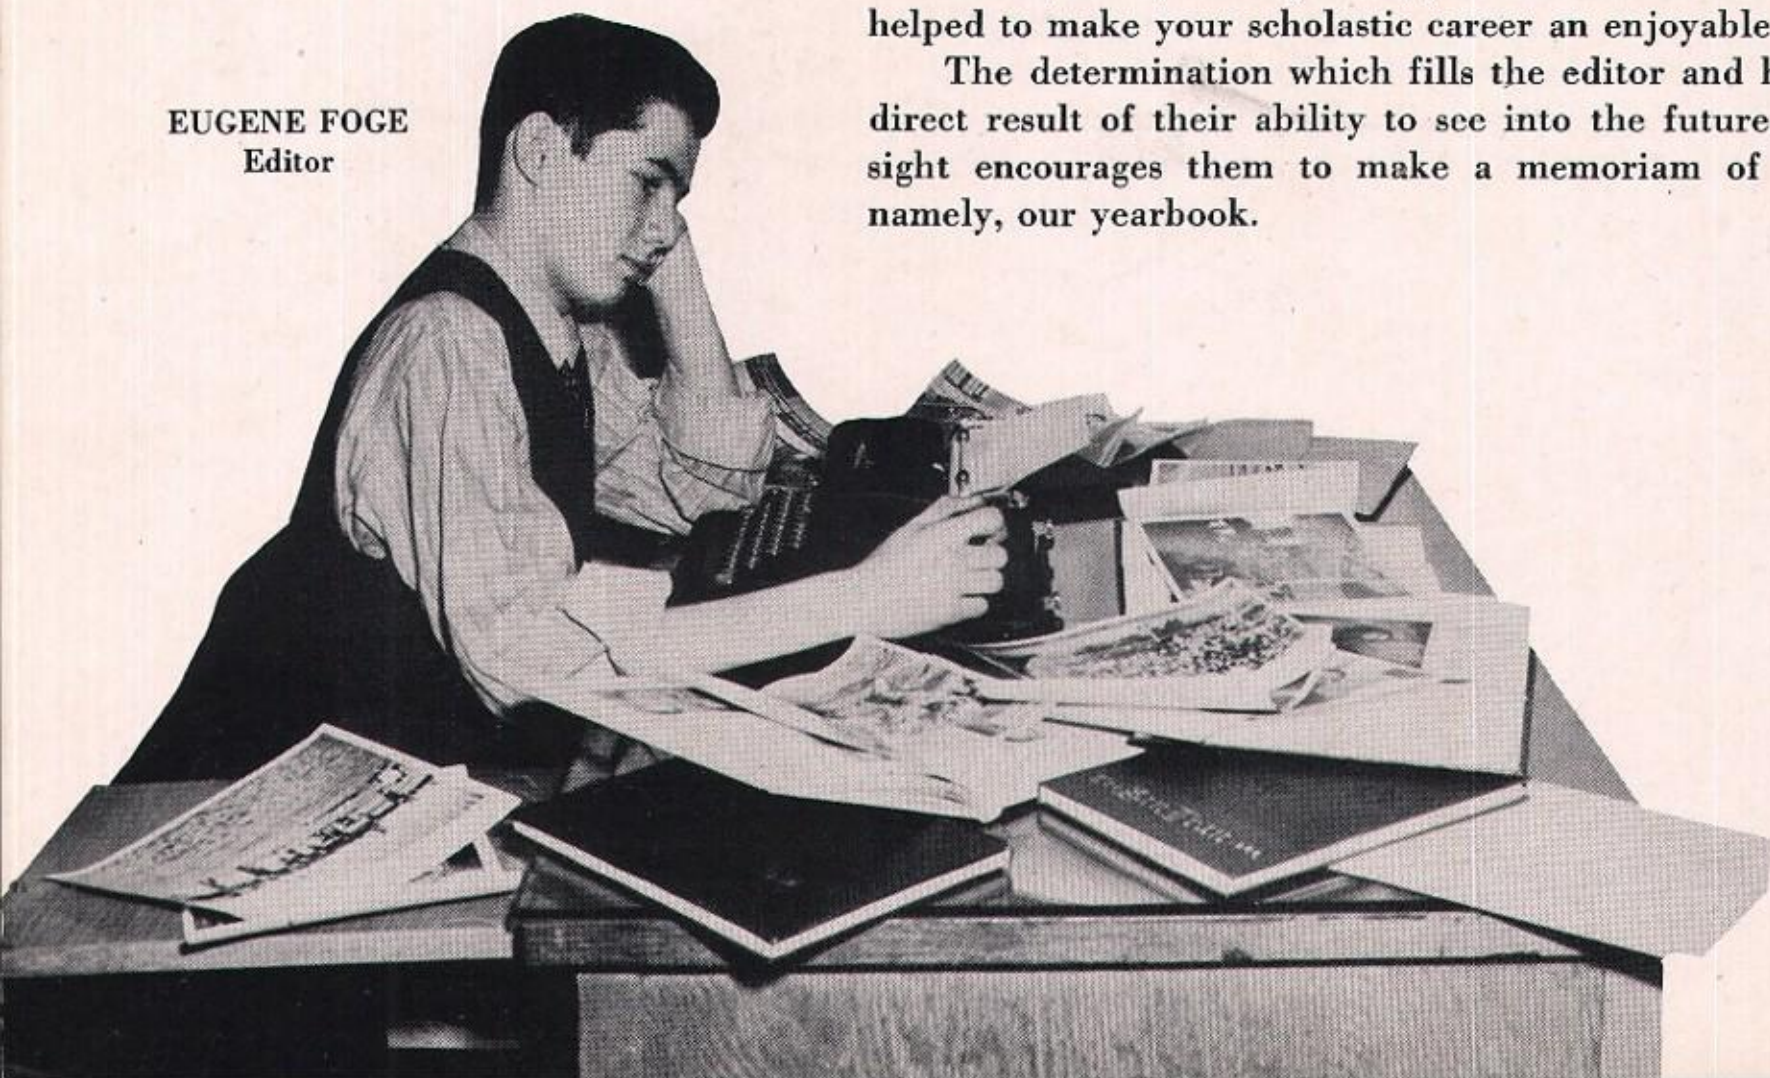

THE EDITOR AND HIS STAFF AT WORK

Jack Wilson, George McGuire, Harry Gorman, Willaim Burke, William Lanahan, Eugene Foge, Neal Lanahan.

At this writing, the yearbook is rapidly nearing completion under Brother Henry, O.S.F., the moderator. The staff is working to make the 1946 edition of the San Fran one which the graduates will carry away as a remembrance of their days at the Prep. The days which we are now so anxious to be finished with, but which we will some day be so anxious to recall. The numerous snapshots and photographs, formal and informal, help to give the desired recap of those events which occupied our time at Saint Francis. You will never really appreciate your classmates, until, looking back, you will realize how much they helped to make your scholastic career an enjoyable one.

The determination which fills the editor and his staff is a direct result of their ability to see into the future. This foresight encourages them to make a memoriam of these days, namely, our yearbook.

MATH CLUB

WITH the termination of the war Mr. Ellinghaus turns his efforts to mathematics for the post-war world. In his Math Club he strives to arouse the interest of the members for mathematics. When he has achieved this by presenting mathematical "kernals", and the such, he urges them to enter some field of applied mathematics in the future. This field is tremendous, especially in this age.

A secondary purpose of the club is to give to the members a more detailed knowledge of the Math taught in class. This results in better marks in our scholastic endeavors.

THE Science Club was formed in order to discuss current scientific news and to visit such places of interest. It provides a preview of the scientific world of tomorrow to those interested in science as a profession or hobby.

ANTHONIAN CLUB

THE Anthonian Club, under the direction of Father Walsh, O.F.M. is not new to the Prep. Last year it functioned under the name of the Vocation Club.

Its object, as was the object of the Vocation Club, is to foster Religious vocations among the Prepsters. Boys in all years may enter, the only requirement being the expression of the desire to become a Priest or a Brother. The Club has done wonderful work in assembling these boys for instruction in knowing their vocation.

Orchestra

UNDER the capable direction of Mrs. Marie V. MacDonald and Mr. George Drumm, the orchestra has successfully completed the second semester of its activity at the Prep this year. Practicing every Friday evening and Tuesday afternoon, the orchestra has compiled many selections both old and new which are sure to delight the listener.

The Second Annual Concert given by the Orchestra took place on May 7, 1946 in the Opera House at the Academy of Music. One interesting and virtuoso piece was the violin solo "Zigeunerweisen" by Sarasate, capably handled by Thomas Cacciola and accompaniment. A group of well known selections were also rendered by the accordians.

The Orchestra has lived up to a precedent established at the Prep some time ago of good music played well, and they have left a record that will not be easy to beat.

Chorus

SINCE its inception in February 1945, the St. Francis Glee Club has given the school just cause for being proud of it. Although many were inclined at first to think of the Glee Club with derision, they saw their error after one or two practices. Both the boys and Mrs. Marie MacDonald their director, worked hard and long.

After only three months rehearsing, they were considered good enough to give a concert in conjunction with the Orchestra, at the Music Hall of the Brooklyn Academy of Music. The boys were proud of their accomplishments and all were lavish with their praise.

This year, on May 7, the orchestra and Glee Club again gave a concert. It was held at the Opera House because of the great number who were forced to stand at the last one. A carefully selected program was arranged including the beautiful Negro spiritual "Go Down Moses."

An over-capacity crowd for next year is not far from realization.

Football

THIS year saw a sudden explosion of spirit around the Prep. It was sparked by posters reading "Beat Chaminade!" "Kill St. Joe's!" Yes this is football gab, and signifies the return of football to St. Francis after a laps of three years.

Mr. Ed Pzwaro and Brother Roger took up the task where Tut Maggio, our coach of renown in former years, had left off. They had nothing to start with but a bunch of fellows as "Green" as corn of that well known play. Nevertheless a few weeks later at Red Hook Stadium we nipped a heavy and experienced Manual team to the tune of 13-6.

On October 27, coach Pzwaro ventured to Chaminade with his crew. Chaminade is assuredly one of our greatest rivals and we were out to beat them good. An aerial attack against the Flyers in the opening quarter resulted in the games first tally with Red McMahon passing 35 yds. to the fleet footed Allegretti. A ground offensive put up another notch against the Crimson and Gold as McGuire went over on a quarterback sneak from the 12 yd. line. The final attack came in the last quarter with McGuire to Allegretti for another T. D. Thus we got off to a good start at 19-6.

St. Joseph's of the Bronx played host to the Prep eleven in November! Hard hitting from the start, they dumbfounded us for six points in the opening minutes of play. We caught on to them in the second half when McMahon, intercepting a pass, returned it 40 yds. for our first marker. In the last quarter Red completed a pass to Allegretti who took it over giving us our third victory, 12-6.

Next on the schedule was McKee Vocational. On that brisk November 10, the Prep suffered its first setback, as a mighty McKee team put us down 14-0. Although we were constantly on their goal line, we were not able to take it across. In the third period McGuire took an interception back 45 yds. to the one yard line, but there it stayed. In the final stanza, O'Connor to Allegretti brought us to the McKee doorstep as the closing gun sounded.

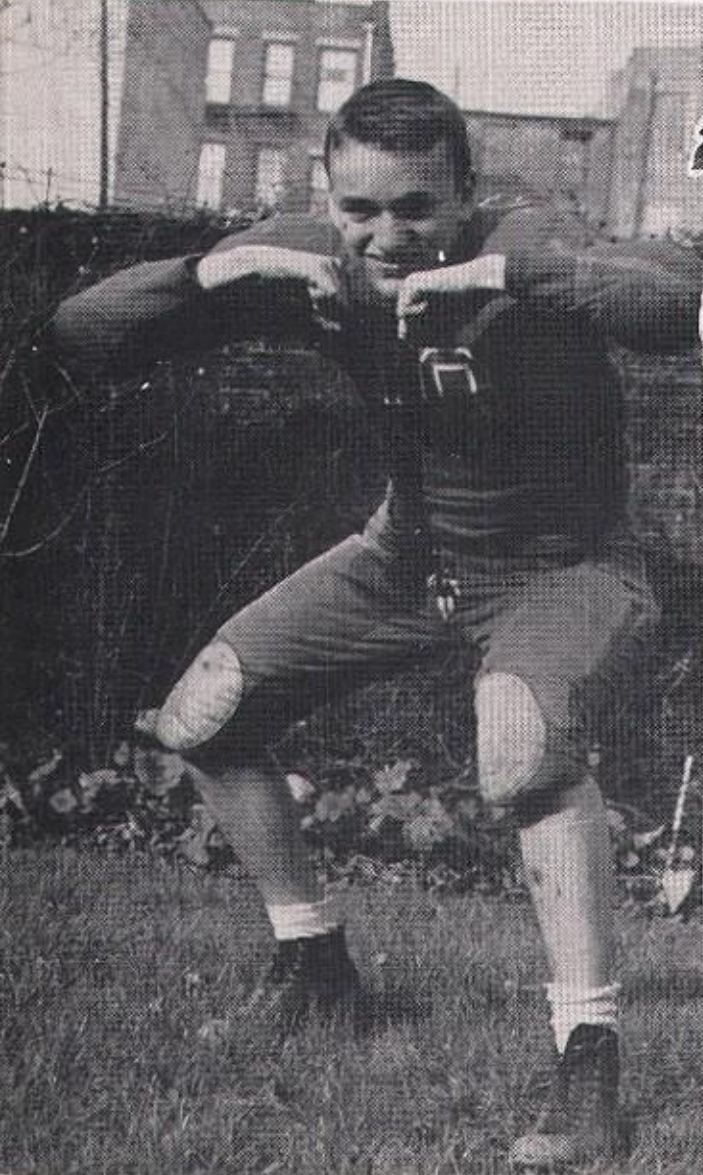

The next week saw Brother Roger working his line with extra duty. He had Barry, Carotenuto, O'Connell, Suhrhoff, O'Hara, and Capper driving hard and hitting low. Pzwaro had Natuzzi, McGuire, Cahill, and McMahon perfecting the "T" and single wing formations.

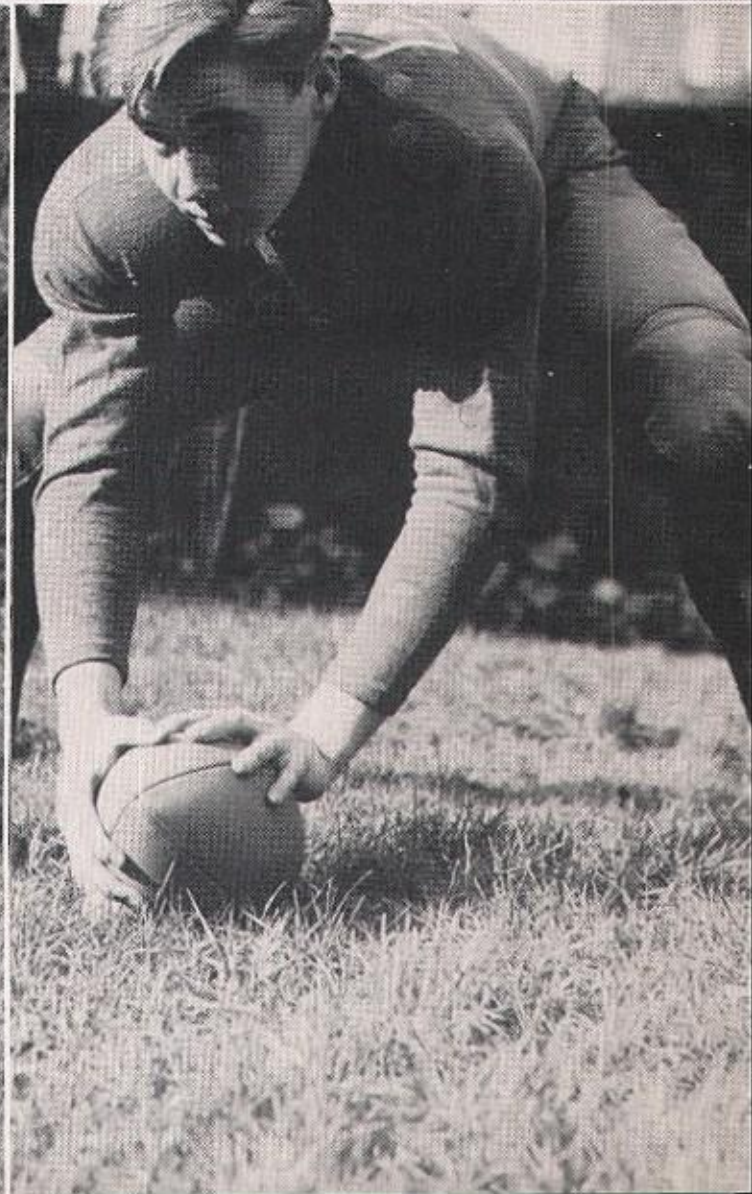

So came November 18 and our first home game. Before 2,000 at Boy's High Field, we met St. Basil's of Stamford, a team accredited with class and power. Though they romped 27-0 we gave them all the fight we could muster.

Now it's all St. Francis gridiron history but we'll remember the fellows who took the bruises to bring the Red and Blue back into the football world.

Bowling Team

OCTOBER saw another bowling season in the offing at St. Francis. Mr. Nicholas Fiorenza, recently returned to the faculty, after receiving his Army discharge, consented to moderate the team.

The season opened with a victory over St. Leonard's Academy. Then the team ran into hard luck and lost it's next five matches. This cost them, a first division spot at the end of the regular season. The team finished the season in fifth place.

Captain Jim Heaney, was high scorer for the Red and Blue. He was closely followed by Lou Hundt, Bob Morrison, Pete Vobis and Bill Mullins. George Papa, Harry Gorman, Bob Rosasco and Gordon Martin were also instrumental throughout the season.

Left to right: Patrick Tufano, Thomas Thompson, Anthony Pelerin, John O'Connor, Thomas Tiernan, Martin Conway, Philip McBride, Timothy Shea, Vincent Hanrahan, Frederick Christ, Gerard Ryan, Cornelius Pagliaro.

Basketball

THIS past year's team might be termed a "Preview of the things to come."

Although the team lacked height, Mr. Gleason developed it into a fast breaking aggregation, rounded out with exceptionally fine set-shooting.

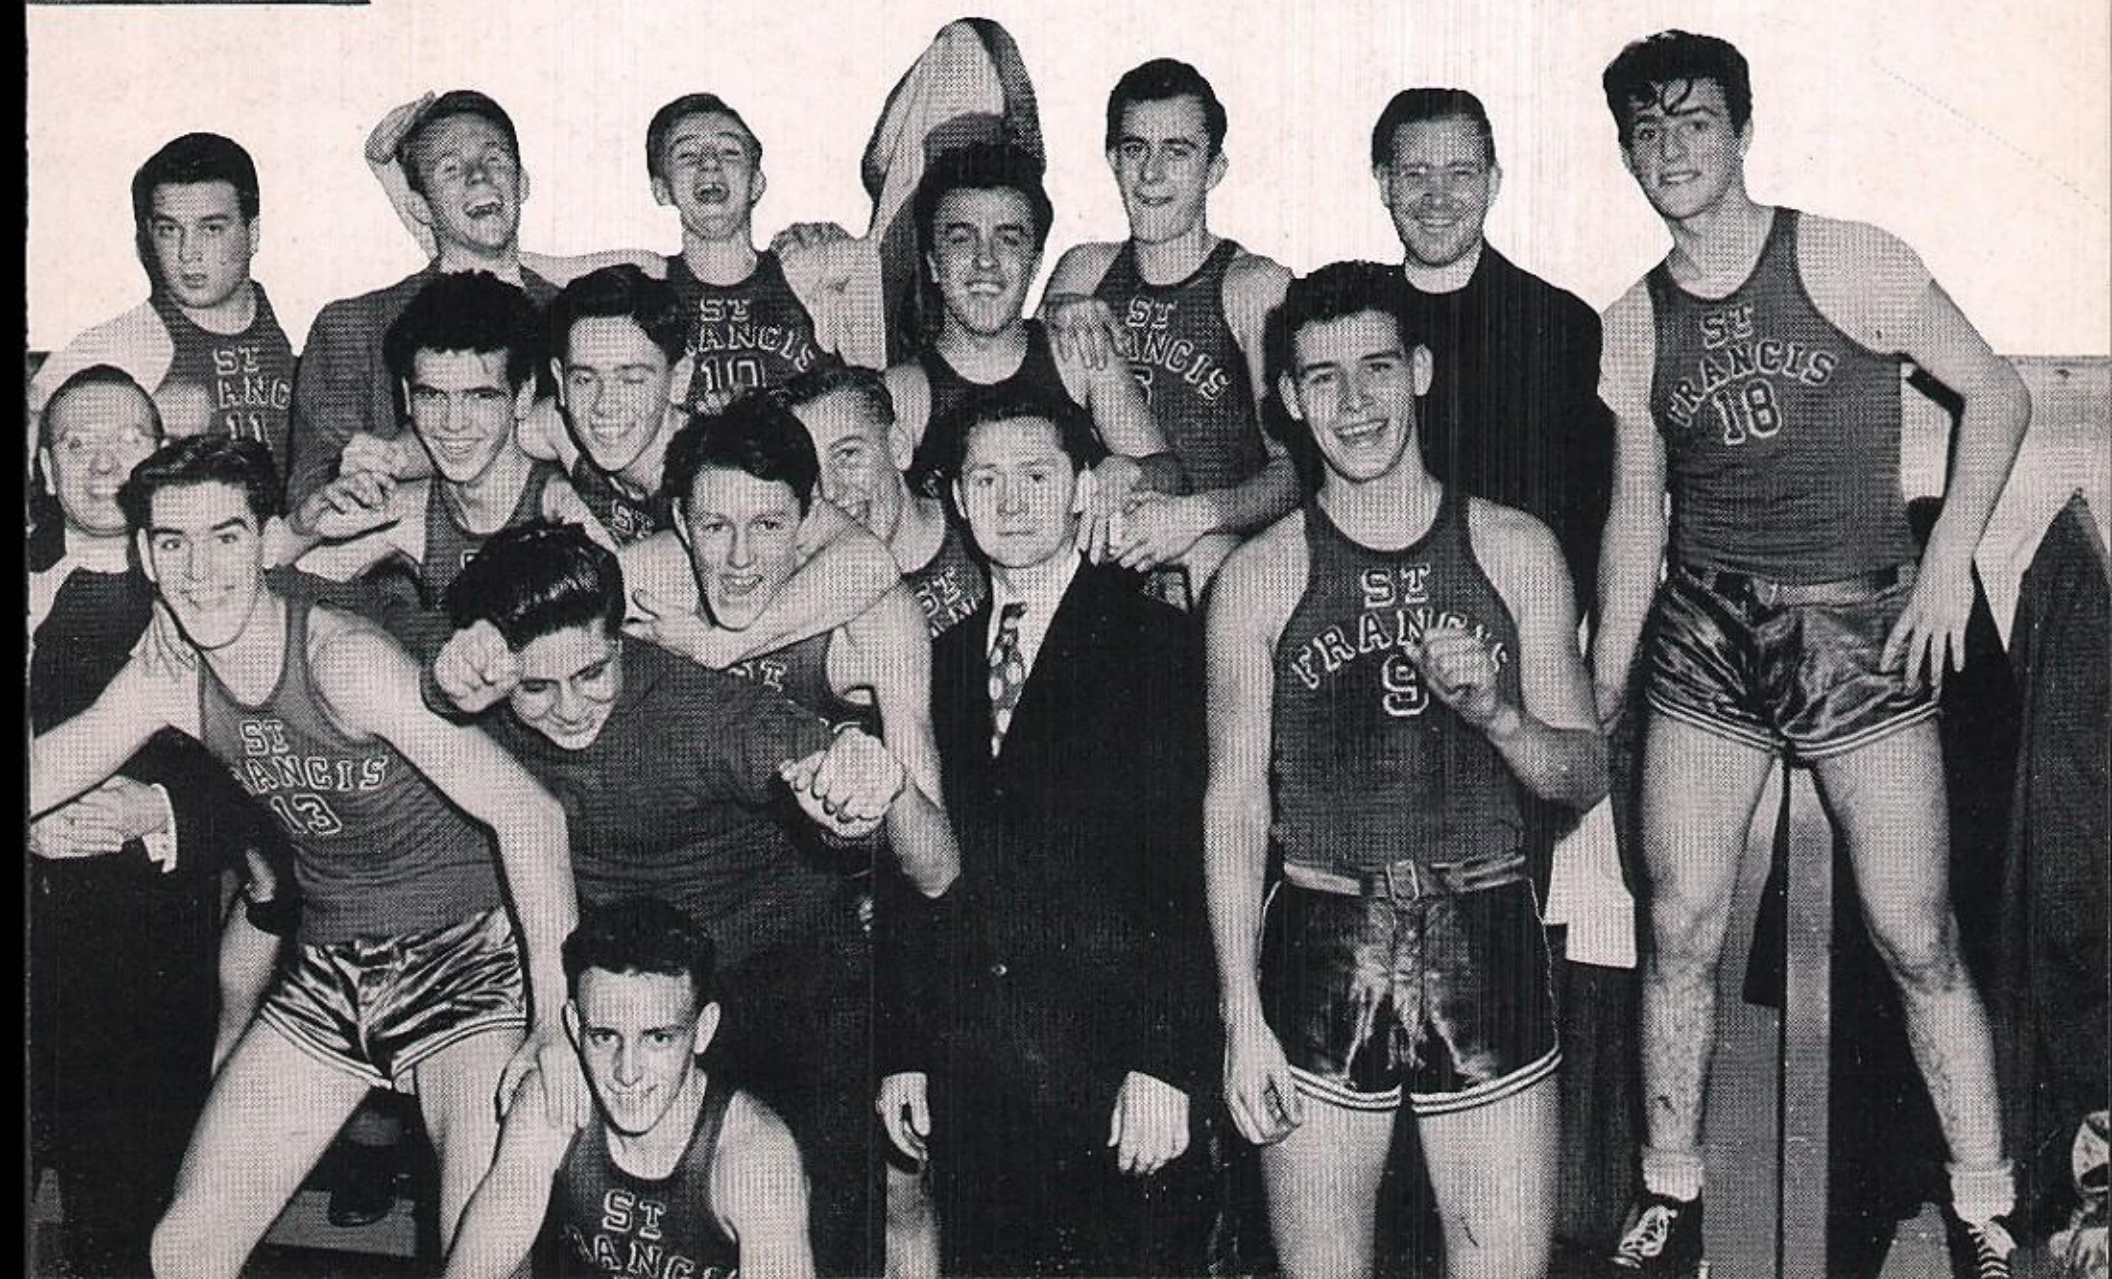

The team was led by Captain Pat Tufano, with scoring honors going to Jack O'Connor, Marty Conway, and "Automatic" Pegliaro. The fifth slot was filled by the always dependable Tony Pellerin, or Tommy Thompson. Rounding out the team were Tom Tiernan, and Tim Shea, forced out in the latter part of the season by injuries. Fred Christ, Gerry Ryan, and Phil McBride composed the rest of the squad.

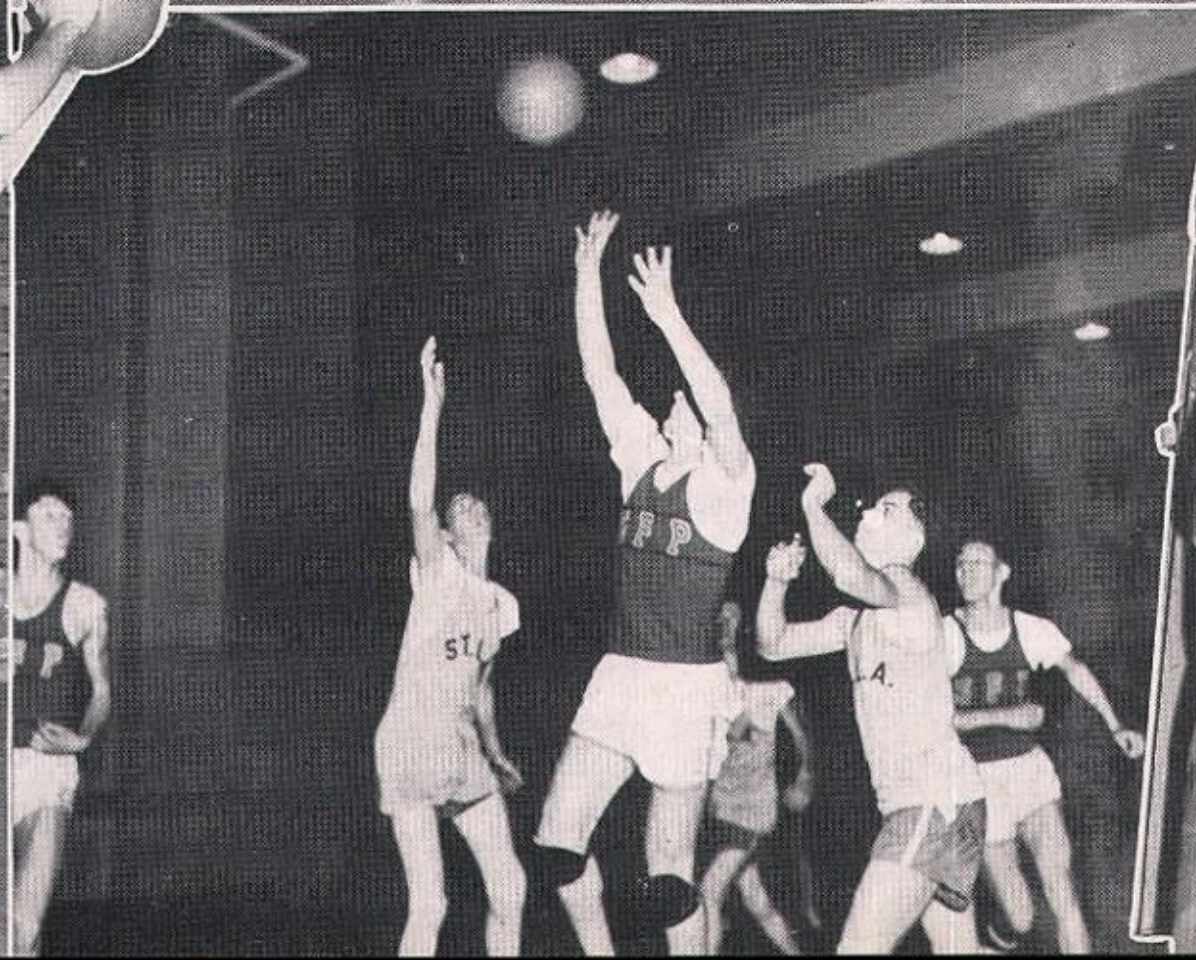

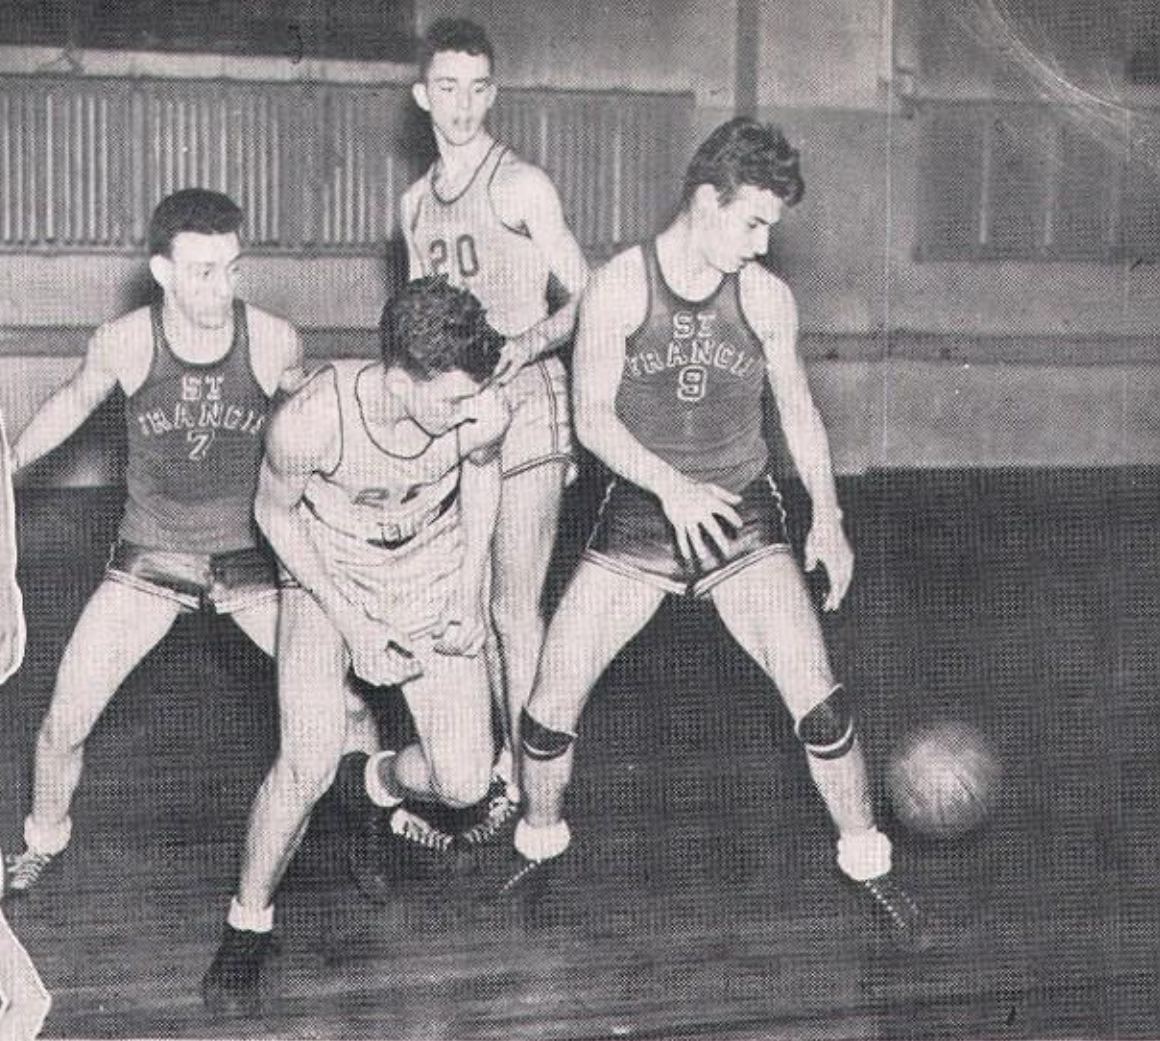

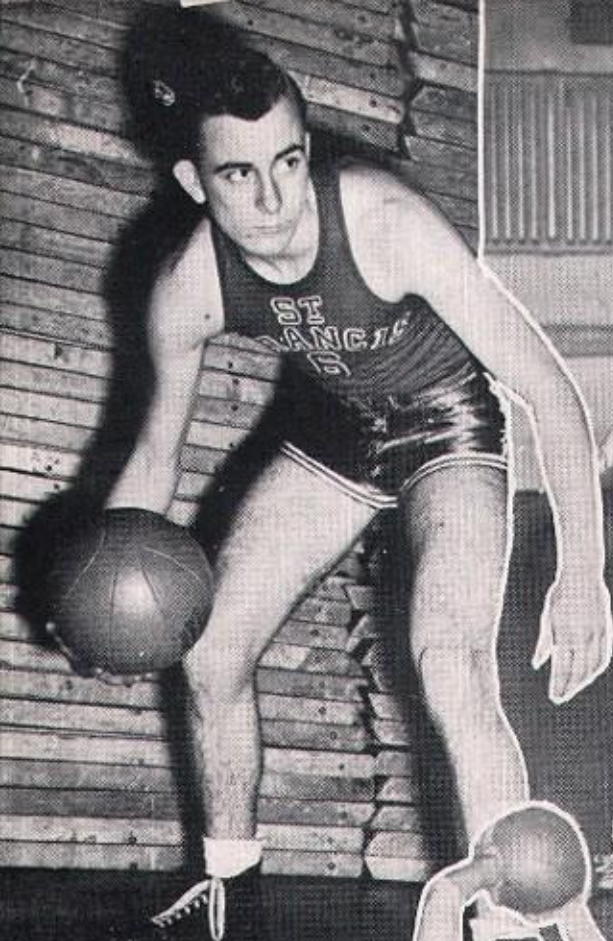

The campaign began with the return of the Terriers to Madison Square Garden. The team came out with an inspiring 46-40 victory over Saint Michael's of Union City, New Jersey, the team which the previous week had stopped Saint John's winning streak at 28 games.

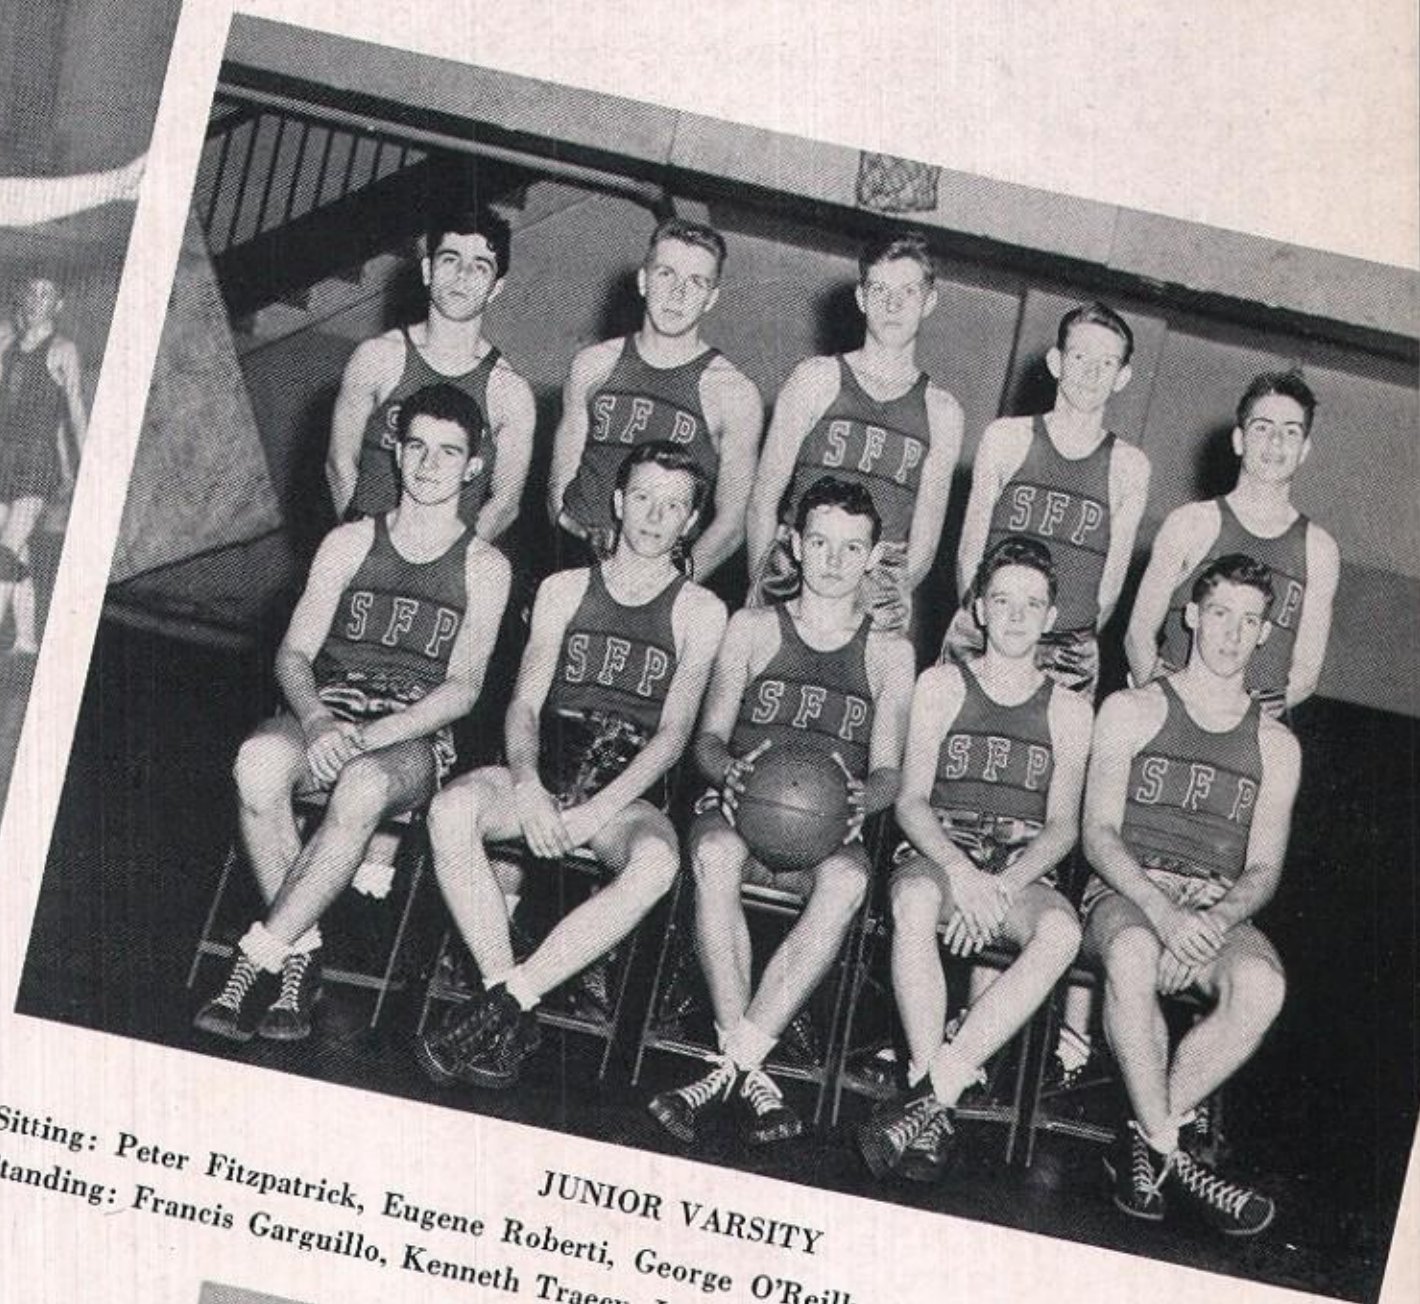

On February 9, when our team again journeyed to Madison Square Garden to engage Saint Peter's of Staten Island, the Farnescans, led by Jack O'Connor and Marty Conway, moved to an early lead, and were not behind throughout the remainder of the contest, leading at the half 23-14, and the third quarter 32-24. Marty Conway with his sterling work off the backboards and the addition of seventeen points to our total was the chief aid of the Terriers. Connie Pagliaro was also a thorn in the side of the enemy throughout the contest.

The team had the scoring ability, but the lack of height proved costly in many games. The Terriers roared down to the finishing wire, with a terrific spurt coming into the Knights of Columbus Tournament. Having compiled successive victories over Saint Agnes, Xavier, Saint Mary's of Rutherford and Saint Michael's of Union City, Saint Francis set out to gain its second leg on the Leo J. Hickey Memorial Trophy, and its fifth victory in the tournament. Playing before a packed house, the Terriers went down to defeat at the hands of a much taller All Hallows team, 54-38.

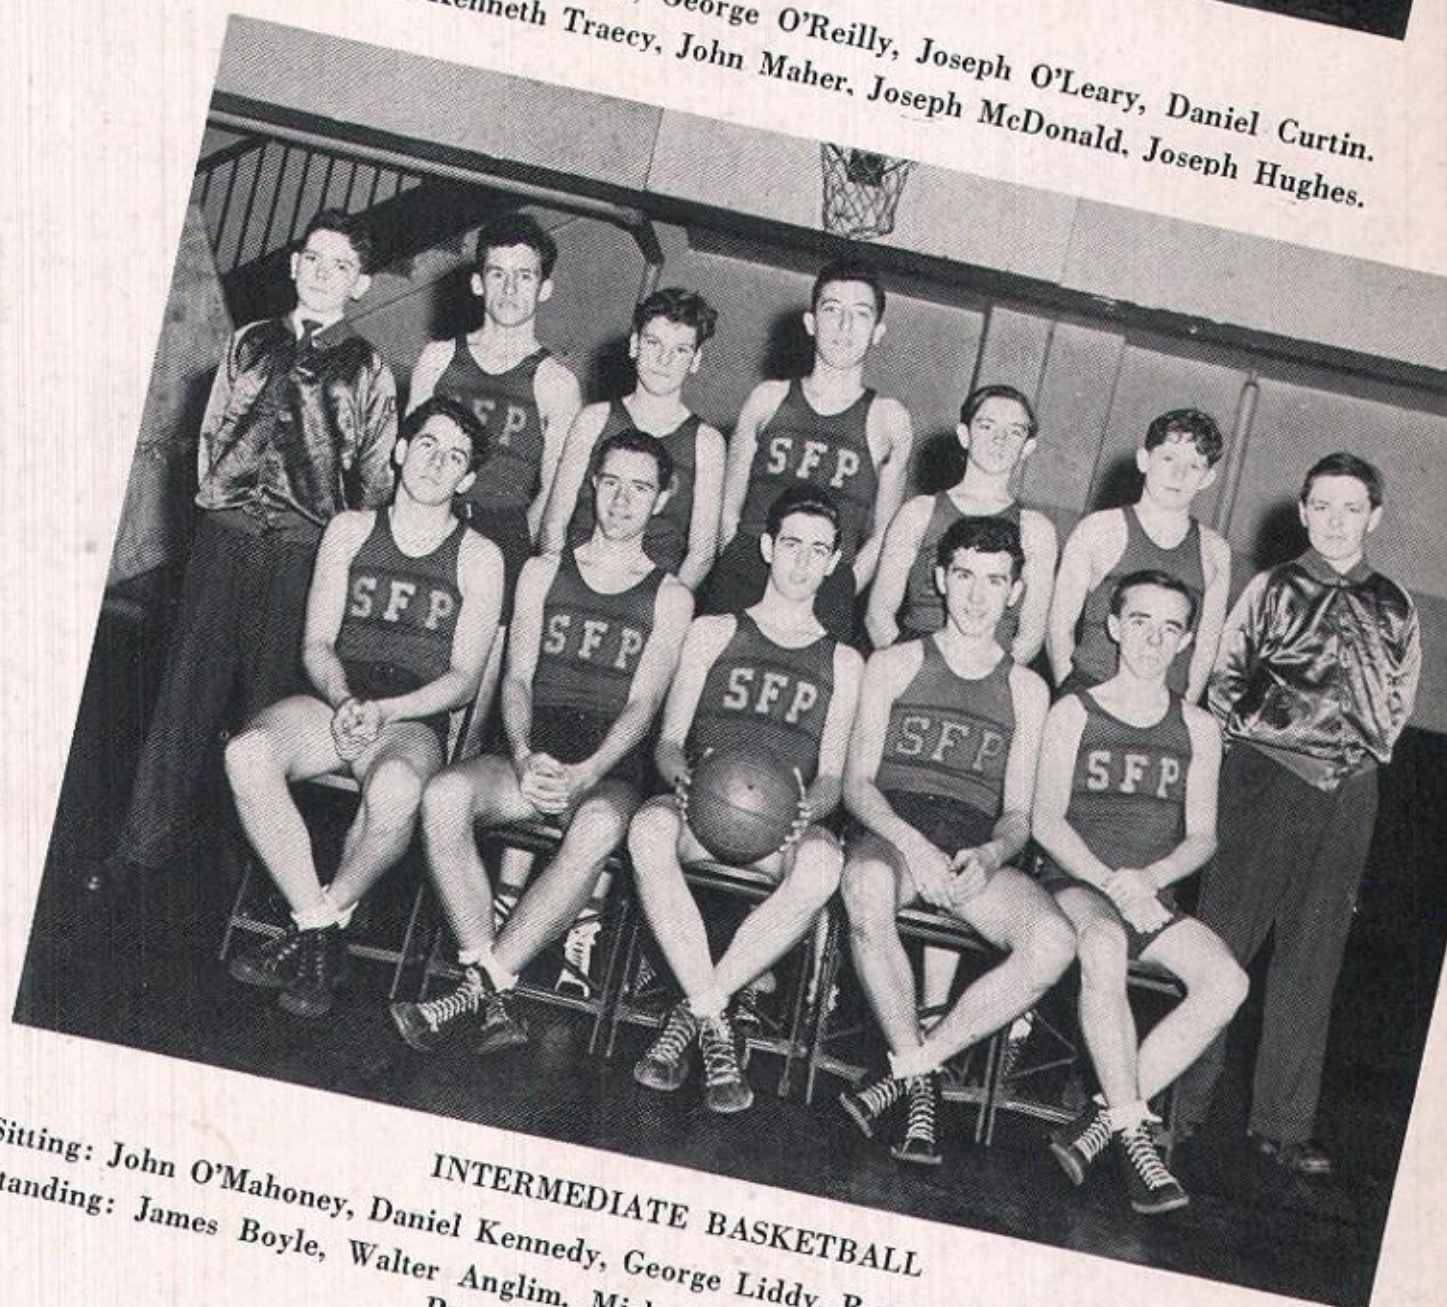

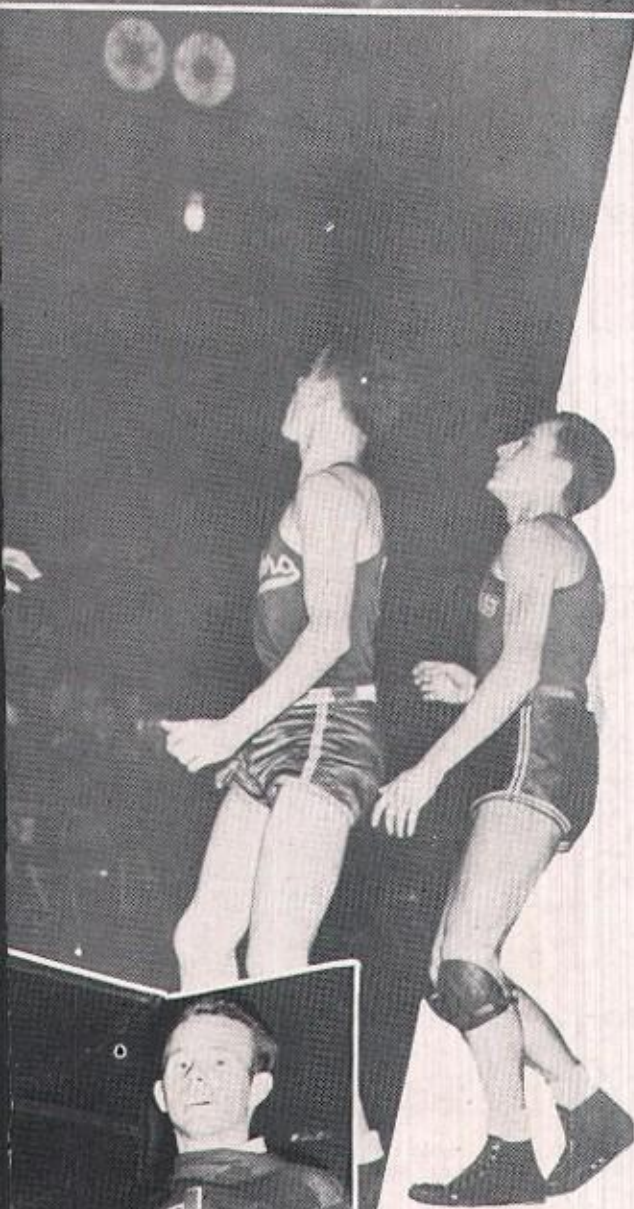

With graduation coming, Saint Francis will lose a student whose name has been synonymous with basketball at the Prep. Joe Mulholland, who has been with the team for the past two years, and who has earned the respect of all who knew him. Also leaving are Tufano, Tiernan and Ryan, but the nucleus of the team remains ready to put Saint Francis back on the top again next year.

Volley Ball

THIS year's Volley Ball team which finished second in the Private School's Athletic League was made up of Richard Hanrahan, George Liddy, Martin Conway, Anthony Pellarin, Frank Connolly and Captain John O'Connor. The team made a very good start by beating St. Augustine's in two out of three. They then met defeat at the hands of Regis in a well played, hard fought three game series. The same team will be back next year and the boys feel very confident that they'll have that needed experience behind them, which will put the team on top where it belongs.

Swimming

WITH Coach Tom Booras again at the helm, the swimming team opened the season with decisive victories over Brooklyn Prep and St. John's. Sparked by the medley team of Bill Burke, Jim Higgins and Dick Nolan, the Terriers met their first real test in the formidable Bishop Loughlin, defending champions. The Red and Blue built up an early lead, and by virtue of a 44-23 victory, emerged the Brooklyn Champions.

In the N. Y. Catholic League, the mermen met an improved Loughlin team, however at the close of league competition, Saint Francis boasted a record of 10 wins, 1 tie, and 1 defeat.

Aside from league meets, the team met the Peekskill Military Academy, but the cadet aggregation proved too strong, annexing the meet in the final event. Adelphi Academy was routed in the final dual meet which was

Team

highlighted by the freestyle relay quartet of Jack Keogh, Jim Mehl, Dan Curtin and Carl Soranno.

In the post-season Private School meet, Don Boland led the Franciscans by placing in the 220 and in the dive along with Ed Carpinello.

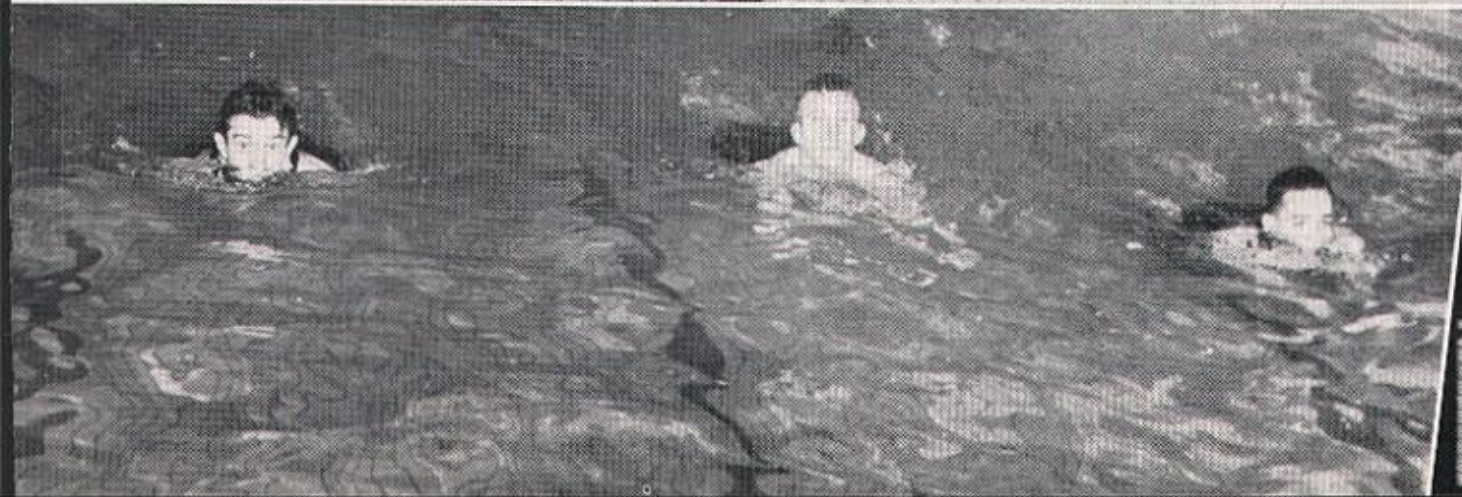

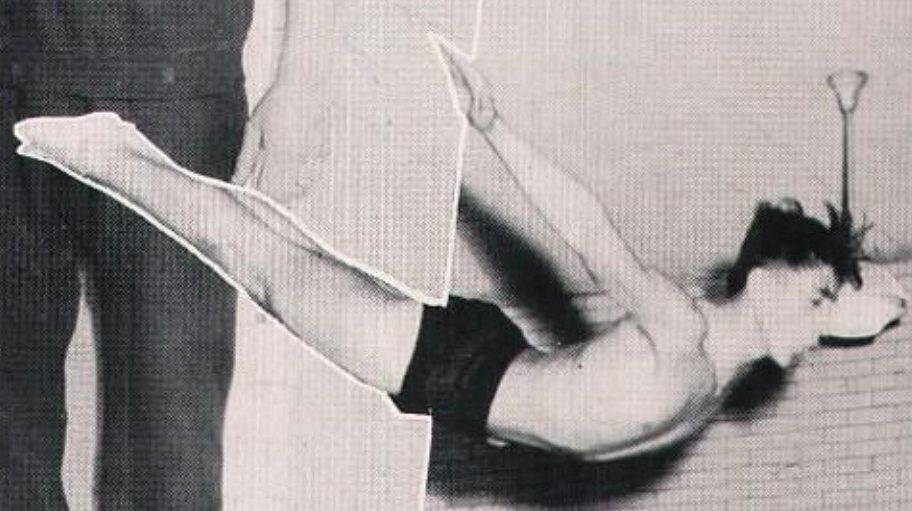

The campaign closed with the CHSAA meet at Brooklyn College. Saint Francis was ably represented in this meet with divers Don Boland and Ed Carpinello; Freestylers Peters, Mehl, Catan, and Cline; Backstrokers O'Sullivan and Garry who reached the finals; and breastroker Don Tierney. The medley of O'Sullivan, Cline, and Tierney rounded out the Franciscan competition.

BILL MILES
Track Coach

THE track team at the Prep is very small compared to teams of other schools.

It lost its coach when Mr. Miles took over the coaching job at Loughlin, but because of the inavailability of good coaches, he consented to take care of the team until a capable coach is secured.

With the material on hand, Mr. Miles developed a fine mile relay team, and a group of individual runners. Outstanding in this latter group are George Snyder, Ward Poche, Jack Donovan, Dick Sullivan, Joe Distabli, Dick Barden, Cosmo DiTucci, and William Miller.

During the Cross Country season the team did very well. They placed fifth in the Catholic High School meet, and Fourth in the Private school meet. This team was made up of George Snyder, Ed and Mike McCartney, Jim Smith, Eddie Egan, Jack Donovan, Ward Poche, Joe Reed, Cosmo DiTucci and Francis Dowd.

George Snyder proved himself by winning the N.Y.U. X-Country in the Jay Vee section, beating his closest rival by 80 yards.

Egan, the McCartneys, Smith and Snyder are working hard for the Penn relays in which they expect to compete. They will go for the medley and mile relays. Both teams look promising, and despite the fact that Egan, Smith and Mike McCartney are graduating in January '47, there is enough material in the school for a good team in future years.

Handball

DURING its seven year stay at the Prep, handball has gained increasing heights until today it ranks with the other major athletic activities of the school. Last season the wallmen took second place in the C. H. S. S. A. tournaments held at Central Park but during that same semester graduation took Bill Mosca captain of the team.

Brother Roger is shaping his team up in hopes of even a better season this year. Carrying on will be Kelly, De Salvo, Pisotti, and Sommers.

Hockey

Standing: George Doris, Joseph O'Neill, Edward Mulligan, Coach Bob Elias,
John McCartin, James Merrigan.

Kneeling: Donald Moten, Norman Diviney, John Butler, Thomas Creem.

George Doris, John McCartin, Joseph O'Neill, James Merrigan, John Butler, Norman Diviney, Hugh Malone.

THE Hockey Team suffered a great loss with the graduation of Jack Weeden, Vin Dolan and Artie Reynolds last year, but Coach Bob Elias formed a fairly good team from the new material and the remaining veterans from last year, among whom were Eddie Cahill, Jack Foge, George Doris, Jim Merrigan, Larry McCartin and Ed Mulligan. Newcomers, Norman Diviney, Cliff Olsen, Joe O'Neill, Jack Butler, Donald Moten, and Thomas Creem show exceptional talent.

The team this season placed one man, Jack Butler, on the first string for the all-stars, and three, Merrigan, Doris, and Diviney on the second team. High scorer for Saint Francis was Jim Merrigan who, incidentally, was the only man on the team to pull a hat trick.

Lieutenant Elias, with vets from this year's team, has high hopes for a championship team next season.

Baseball

BASEBALL, back at the Prep again this year, under Mr. Jack Galbraith, is, at the time of this writing, looking forward to a much better season than last year.

The return of veteran pitchers, Joe McDonald, Ray Goeller, and Dan McCaffrey, along with the acquisition of Tony Pellarin, Dick Witt, and Tony Isaia, is going to make things tough for the opposition.

On the offensive, catcher Joe Allegretti, and outfielders, Tom McCracken, Harry Baeirlein, and George McGuire, are expected to come through with much hitting power which was noticeably lacking last year. In the infield, Jack Welch and Tom Malley are also potential heavy hitters. Rounding out the team are Charley O'Neill, catcher, Jack Donovan, Ken Barry, and Joe Callan, infielders, and George Liddy in the outfield.

Mr. Galbraith has arranged a tough schedule for the Terriers, but he has high hopes for an upper berth in the C. H. S. A. A. at the end of the season.

Why Hide Your Lite Under a Bushel

LET the worth of your product be proclaimed from the house-tops. Having a service to offer or goods to sell, it is false economy to hide the fact from the buying public. How better to spread this information than by the means of attractively designed and printed literature? The increase in your sales will prove the wisdom of your action. The Brooklyn Press is well equipped to handle all your printing problems, from stationery to advertising folders and brochures.
